ADMINISTRATIVE DATA

Five subjects set forth in the details of this report were arrested on 8/9/65 at the United States Capitol grounds in a protest demonstration against United States policy in Viet-Nam.

Prior to the demonstration, extensive investigation was conducted by WFO agents who were in continuous and constant contact with informants and sources of information in establishing the identity of participants, key figures, organizers and their intended plans, which was furnished to the Metropolitan Police Department (MPD) and other local intelligence agencies, thereby saving these agencies numerous man hours and extensive investigation.
