Mr. Mayor, I strongly object to revisiting this issue on July 8, as I am scheduled to be absent from that meeting. Reconsideration of this issue violates both our Council norms and normal procedures. My current email count from SLP residents has 19 opposed to our actions, and 9 supportive of the action.

I'm disappointed that we're revisiting this issue due to the pressures of social media, much of it from outside SLP. It guarantees that regardless of our actions, this story will continue to be a political dog-whistle issue for some another month and beyond. - Tim
