

- c. Hiring for TCs every eight to ten weeks – check out [hennepin.us/jobs](http://hennepin.us/jobs)  
Dispatch will continue to hire every 8-10 weeks. Training takes 4 to 6 months to complete.
- d. CAD Update
  - i. Field Ops Update  
5.8.26 update is complete. The update includes increased functionality in the Field Ops app. App being tested by a larger group right now. Field Ops training materials are being prepared. Fleet support fees are \$15 per device. Rolling out to more at the beginning of 2020. Those who have been testing, please share tablet and information with others.  
Agencies should think about how many they will want to implement.

IV. SOP Committees

- a. Fire (Chief Rodger Coppa)  
Waiting for management shift  
Fire interested in automated dispatch for fire resources.
- b. Police (Sgt. Rick Denneson)  
Meeting on Monday, September 9<sup>th</sup>.

V. Old Business

- a. IPAWS implementation – Dan Anderson (HCEM)  
Sergeants are working on online training. Dan is coordinating with Curt Meyer for in-person training. SOPs will be included in training. Implementation will need to include outreach from POIs, Fire and Police.  
Goal is to implement by end of year.  
8/5 – Large hail message sent out. HipLink worked perfectly.  
9/2 – Tornado sirens triggered based on polygon provided by National Weather Service. Sirens sound based on that polygon. Some parts of a city did not have their siren sound because they were not in the polygon. Great communication that night. Resources on the correct radio channels made things work smoothly.
- b. Regional Response CAD Code – Update (Curt Meyer)  
Waiting for a number of agencies to provide their response plans. Follow up with Sgt. Cooper if you have questions. This will be clarified and a notification will go out to those agencies that we have not received a plan.

VI. New Business

- a. Manager hiring  
Posting for additional Dispatch Managers went out several weeks ago. County HR with Sheriff's Personnel pulled the posting. Will be reposted soon. Increasing the number of managers supervising the Sergeants. Update: The Manager posting went back up and closes on September 18<sup>th</sup>.

VII. Adjournment

0927 hours.

**\*\*Next Meeting – December 4<sup>th</sup>, 0900-1100 hours – ECF 2<sup>nd</sup> Floor Conference Room**
