

I have no knowledge whatsoever what happened to this Cashiers Check after I turned it over to STANS. I do not know how this check got into the possession of BERNARD BARKER since this man is unknown to me. u

I have no knowledge concerning the burglary of the Democratic National Headquarters in Washington, D. C., and I wish to emphatically state that I had nothing whatsoever to do with this matter. In national magazines I have seen the names and photographs of the men reported to have been involved in the burglary and none of these men are known to me. u

I have read this statement of mine and two other typewritten pages and it is true + correct u
