Hi Dave, I know it's been a while, so I figured I would just circle back with you to let you know that I haven't forgotten about you and that I will get you an update as soon as I have one!

Thanks for doing such a thorough job reporting this issue.

Darwin,

Want to check back to see if there's been any action on Minneapolis' efforts to compel payment from the Trump campaign. Thanks very much.

Subject: Statement from Mayor Frey

All – below is a statement from Mayor Frey reacting to AEG's decision with regards to their contract with Trump campaign:

Mayor Jacob Frey: **“My position with respect to the operating costs remains unchanged: in keeping with our contract with AEG, taxpayers should be reimbursed for city-incurred costs resulting from the president’s visit. In the days ahead, I will be meeting with city leadership and my council colleagues to decide upon the appropriate path forward.”**
