Subject: Arrest all officers involved in the unlawful killing of George Floyd

Importance: Normal

Mayor Frey and Minneapolis Police,

You (finally) did the right thing arresting Derek Chauvin for the murder of George Floyd. I only wish justice had been as swift for Chauvin as Chauvin thought "justice" should be for Floyd when he executed the unarmed man for allegedly bouncing a little check. Why did it take a week and a riot to arrest Chauvin, caught on camera murdering the unarmed Floyd as he called out for his mother?? Justice should be applied equally to all, and for too many black men, and women, in Amerikkka, they do not get their day in court, they get killed like dogs in the street. Be part of the solution: arrest all the officers who stood by as Chauvin committed murder. Do better hiring and training police to be compassionate, just, fair, and unbiased. And above all, do better ending economic segregation, high cost of living, low pay and salaries, punitive rather than rehabilitative policies regarding drug abuse, and unequal education, all factors in the high crime rates and poverty in the black community. The world is watching. Do better.

Sincerely concerned citizen,
