

Standouts/Highlights: (Interactions, activities, successes, or highlights that come to mind upon reflecting on the shift). Having the team help with cleaning of 612 Mash Medical tents located inside the square along with assisting Jay the gardener with moving the flowers, blue shelving and other wood items located in the alley/loading dock area so Tea Street Café could have their items be delivered for the soft opening and opening of their business. Also having a team member get hired as a staff member of the Tea Street Café.

Frustrations/Challenges: (Things that happened on shift that frustrated the team, were challenging in a negative way, or got in the way of the team performing to the best of its ability).

Having neighbors complain about trash not being removed from inside the square on going issue

Adjustments Needed: (Looking ahead, what improvements or changes should be considered to improve the coordination and efficiency of the team, Outreach Worker performance, or overall outreach quality)?

Slow down signs needed repainting of yellow lines to divide street, speed limit signs to help traffic workers to let cars know to slow down

Other: (Add other notes as needed).
